

SARATH M S

Architectural Designer | Interior Designer | 3D Visualiser

Sarathmanoj20@gmail.com | +971 506842545 | Abu Dhabi, UAE

Summary

Architectural Designer with 3+ years of experience in architectural design, BIM modelling, interior design, facade development, landscape planning, municipal submissions, and construction documentation. Experienced in UAE projects including villas, residential apartments, commercial developments, and interior fit-outs. Skilled in Revit, AutoCAD, SketchUp, D5 Render, Lumion, Enscape, and AI-assisted architectural workflows. Strong expertise in BIM coordination, GFC drawings, municipal approvals, and site coordination.

Core Expertise

- AI Architectural Integration & Visualization
- Building Information Modelling (BIM)
- Architecture, Interior & Landscape Design
- Facade Development & Detailing
- Photorealistic Rendering (D5, Lumion, Unreal Engine, Enscape)
- Advanced 3D Modelling (Revit, SketchUp)
- GFC Drafting & Technical Documentation (AutoCAD)
- Statutory Municipal Approvals
- End-to-End Site Coordination
- UAE Municipality Submission Drawings
- AI-Assisted Architectural Design & Visualization
- Construction Documentation

Work History

Architect

Smart Architectural Consultancy, Ajman, UAE

2024-2025

- Delivered architectural documentation for 20+ villa and residential projects.
- Prepared Ajman Municipality submission drawings and approval documentation.
- Produced BIM models, detailed drawings and construction documentation.
- Designed facade concepts, landscape elements and interior layouts.
- Created high-quality visualizations using D5 Render, Lumion, Enscape.
- Coordinated with consultants, clients and project stakeholders throughout project design development.
- Developed interior design concepts and space-planning solutions.
- Produced detailed architectural and interior working drawings.
- Developed architectural designs for villas, apartments and commercial buildings.
- Coordinated with MEP consultants and structural engineers to resolve design constraints.

Junior Architect

Al-Taiba Interiors Sharja UAE, Kerala, India

2023-2024

- Developed interior design concepts and space-planning solutions.
- Produced detailed architectural and interior working drawings.
- Designed custom furniture, product designs and architectural details.
- Assisted in exterior design development and facade enhancement works.
- Created photorealistic renderings and client presentation packages.
- Conducted site visits and inspections to monitor progress and ensure compliance.
- Prepared material specifications, finish schedules and procurement documentation.

Intern Architect

SJA Consultancy New Delhi, India

2022

- Developed conceptual layouts and space-planning solutions for premium architectural and government projects.
- Produced comprehensive Good for Construction (GFC) sets and detailed working drawings.
- Created high-resolution 3D models and photorealistic architectural renderings.
- Developed landscape layouts and detailed planning solutions.
- Curated material palettes, finish schedules, and detailed fixture specifications.
- Conducted regular site inspections to verify alignment with approved architectural designs.
- Prepared approval drawings and ensured compliance with local building codes.
- Optimized visualization workflows using advanced texturing and digital imaging techniques.

Intern Architect

EGO Design Studio India

2022

- Designed integrated spatial layouts encompassing architectural, interior, and landscape environments.
- Developed bespoke interior design concepts, including custom furniture and detailed FF&E (Furniture, Fixtures, & Equipment) schedules.
- Planned exterior site developments, integrating softscape planting, hardscape detailing, and outdoor amenities.
- Produced comprehensive working drawings and construction sets for both building structures and interior fit-outs.
- Created high-resolution 3D visualizations and photorealistic renders.
- Curated cohesive material palettes that harmonized exterior facades, interior finishes, and landscaping elements.
- Conducted site inspections to monitor architectural construction, interior installations, and landscape execution.

Selected Projects

- **Luxury Villa Development – Ajman, UAE**
Architectural design, BIM modelling, municipality submission drawings, and construction documentation.
- **G+2 Residential Apartment Development**
Space planning, facade design, working drawings, and 3D visualization.
- **Commercial Building Projects**
Concept development, detailed drawings, and consultant coordination.
- **Interior Fit-Out Projects**
Interior design, material selection, furniture detailing, and visualization.
- **Landscape & Hardscape Design Development Projects**
Site planning, hardscape and softscape design, and presentation renderings.

Software Proficiency

- AutoCAD
- Revit Architecture
- SketchUp
- D5 Render
- Lumion
- Enscape & VR 360 Visualization
- Unreal Engine
- Twinmotion
- Adobe Creative Suite
- AI-Assisted Architectural Design & Visualization
